

Weekend Information Sheet

What: Happening is a Christian experience presented by teenagers for teenagers. It is designed for youth in grades 10-12 and sponsored by the Episcopal Church. Most young people have serious questions about Jesus and the Church. Happening is designed to address these questions. During a Happening weekend, participants experience the love of Christ as shown through prayer, worship, and the ministry of peers, clergy, and lay adults. The Happeners are encouraged to make their renewed faith a part of their everyday lives. Happening shows how Christianity can keep pace with the many changes in our lives and our world.
