

Minority Ministry Commission

We continue to meet every quarter. Last year, as a result of generous donors, we were able to send twelve youths to Camp Wingmann and four delegates to the U.B.E. Convention in Philadelphia. As a result of budget restraints we were forced to cancel a number of scheduled youth programs for the summer. In conjunction with U.B. E. and the Anti-Racism Committee we sponsored Services of Sung Evensong during Lent and Advent at a number of churches in the diocese. This was a resounding success. We hope to repeat these worship services during both the seasons of Lent and Advent, 2010.
