

Mrs. Tricia Powell
Candidate for Diocesan Board
Lay Order

Tricia, a bi-lingual native of Puerto Rico, was raised by a single mom. Her mother relocated to Florida when she was seven, but she spent summers, and a few academic terms, with family in Puerto Rico. This afforded her complete immersion in both American and Puerto Rican cultures. She is married, has two teenage daughters, and has a Bachelors in Business Administration from Strayer University. Tricia is a member at Trinity Episcopal Church in Vero Beach.

Before answering the call to motherhood, Tricia worked in corporate America and managed large-scale projects for multi-national corporations. She discovered a love of teaching when volunteering with the youth group at her church. Her desire to inspire continued when she worked for a foreign exchange program and supervised 40+ students from around the world. She and her husband personally hosted seven students during her four-year tenure with this program.

In 2014, as part of her involvement in grassroots work, she was afforded the opportunity to attend the Colson Center Fellows Program and received her commission in 2015. She has also taught Worldview, Spanish 1 & 2, Economics and British Literature in an online environment.

She delights in bringing worldview conversation into every subject that she teaches because as Abraham Kuyper stated, “There is not a square inch in the whole domain of our human existence over which Christ, who is Sovereign over all, does not cry, Mine!” as such, everything we do must be to His glory.

She enjoys spending time with her husband and family, reading, and rich conversations over coffee with friends.
