Who We Are

We are not the frozen chosen...

We are not stuck in the past...

Our active, incorporating congregation reflects our complex neighborhood...

We are people of all ages who are ethnically, socially, politically and economically diverse.

When we say ALL are welcome here... WE MEAN ALL!

St. Matthew's is a congregation that welcomes and celebrates its diversity. As pointed out in the BCP Baptismal Covenant, we do respect the dignity of every human being and our varied ministries and outreach support extend throughout our UCF neighborhood—and beyond. Our parish survey reveals that we are a melting pot of folks who love and call St. Matthew's their church home!

Purpose

ST. MATTHEW'S EPISCOPAL CHURCH provides a diverse, uplifting place of worship where individuals can strengthen their relationship with God and others.

Mission

To ensure individuals know they are valued, accepted where they are in their journey of faith and empowered to recognize their calling in Christ.

Vision

To serve as a beacon of hope, inspiring individuals to love one another; to live kindly; to act justly and to walk humbly with God.

We have had three great Rectors in our 35 years...
 And we are trusting God to bring us a fourth!

Nestled in the shadows of the University of Central Florida, St. Matthew's is poised to embark on a new trajectory of ministry. Our ministry to the community reflects our many active programs. Outreach and Inreach are vital to the health of our parish. We are looking for a Rector who will bring an assortment of ministry gifts, proven leadership and an entrepreneurial spirit!

Our ideal Rector would be someone who is at least 8-10 years out of seminary with practical experience serving in leadership in an Episcopal Church. Part of that previous experience should have been as a Rector with a proven track record in helping expand ministries, increasing attendance and starting new programs. Specifically, we would like a Spiritual Leader who...

- feeds our spirit through his/her teaching & challenges us to grow in our relationship with Christ
- has a track record in attracting families with young children
- makes it a priority to revitalize and grow our Youth program
- listens with a discerning heart & connects with people of all types/abilities
- is accepting, tolerant and patient
- is persuasive in recruiting volunteers & developing committee/ministry leaders
- offers fresh ideas & has a clear vision of where s/he can take our church
- plans well, delegates & follows up effectively
- is a skilled administrator & manages time well
- keeps his/her finger on the pulse of the community, for outreach purposes

Worship Services

“Come as you are.” Like many churches, our parishioners have varied tastes in worship styles, and that is right in line with the Episcopal Church’s approach to Liturgy. At St. Matthew’s, “we meet you where you are.”

8:00 AM

This early service follows the Rite I Liturgy. The Eucharist is celebrated without music, and the ambience is quiet reflection. There is a real sense of intimacy associated with this service. When the service has ended and before the next service at 10:15, we serve breakfast in the Parish Hall to provide time for fellowship.

10:15 AM

This service of Holy Eucharist uses contemporary language found in Rite II of *The Book of Common Prayer* and features a full choir. During the school year, we offer Sunday School for Children and Youth at 10:00 AM, with children joining worship at an appropriate point in the service. The last Sunday of each month features children in roles typically reserved for adults, namely scripture reading, ushering and greeting; they attend the entire worship service. Our volunteer choir is augmented by three professional, paid choral and music scholars.

6:00 PM Saturday

This is a contemporary service complete with a praise band. While this service is casual and spirited, our parishioners describe it as “a relaxing change of pace”. The sermon is shorter, the mood is often much more casual, and the music is more modern. A pot-luck dinner is shared after the service on the last Saturday of each month.

6:30 PM on 4th Wednesdays

This is a Celtic Eucharist with Healing Prayers in which parishioners are surrounded by candles, beautiful flute music, and sacred silence. Many have described the experience as “basking in the grace of God.”

During the COVID-19 pandemic, we are producing one in-church service at 9:00 AM and one Zoom-based service at 10:15 AM. Once it is safe to resume our active parish life, we expect to resume the four services described above.

Children's and Youth Ministries

A family-oriented church, we seek to involve Children and Youth in all aspects. This is especially evident in our monthly Family Sunday, during which the Children are involved in scripture readings, greeting, and ushering. Among the activities offered for both Children and Youth are Vacation Bible School and Confirmation classes. We look forward to our next Rector attracting young families to continue the growth of St. Matthew's and to keep our church family vibrant.

Children's Ministry

Children represent the growth and future of St. Matthew's and of the Episcopal Church; we strive to provide them with a positive, fun, learning environment to help them grow as individuals and in faith. On Sundays, a Nursery caregiver is onsite for the very young. Children are encouraged to participate in the following:

- Sunday School (Pre K - Middle School)
- Acolyting
- Monthly Family Sundays, where children are ushers, greeters, and readers
- Armored for God (Kindergarten to 3rd Grade)
- Trailblazers (4th to 6th Grade)
- Christmas Pageant

Youth Ministry

Middle and High School Youth Groups enjoy a variety of offerings and growth opportunities, including mission trips (international, national and local) and project-specific community outreach.

Outreach Ministries

For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me. Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.

Matthew 25:35-36, 40

Active Outreach ministries are a fundamental, core practice in the ways that St. Matthew's spreads the love of Christ in our community. A percentage of our pledge and plate income is designated quarterly for distribution by our Outreach Committee into the Orlando community. We give cash and non-cash donations as well as our time and talents to more than 20 charities and other non-profits; the following is a sample of where we extend our love and commitment to serving God's people:

Compensation will be commensurate with the candidate's experience, and in accordance with the 2021 Clergy Compensation Guidelines published by the Diocese of Central Florida. Compensation details are available from The Rev. Canon Scott T. Holcombe, Canon to the Ordinary, Diocese of Central Florida at sholcombe@cfdiocese.org.

Parish Survey

What Is Important to Parishioners?

When the church was founded in 1985, a cornerstone of our mission was to provide outreach to the community. As you may have noticed in the Outreach and Finance sections of this Profile, that is still true today! We apply this same mission of caring inside our own parish family. Our philosophy of caring for each other at St. Matthew’s may be best summed up in these words: “In a world where you can be anything, be kind.”

In a Parish Survey conducted in the second half of 2019, parishioners were asked to look at 12 broad aspects of parish life at St. Matthew’s in order to help the Search Committee and Vestry understand what parishioners value most. The 12 aspects were as follows: Services to the Community, Spiritual Leadership/Inspiration, Youth Education/Programming, Counseling/Pastoral Care, Finances, Choir and Music, Communication, Administration, Lay Leadership, Adult Social Activities, Adult Education/Programming, and Evangelism. Within these aspects were specific elements that parishioners were asked to rank in order of importance, on a scale of 1 to 5, with 5 being very important. Here is a table showing high-level results.

With the COVID-19 pandemic, our church has not operated under normal conditions since mid-March 2020. We look forward to working with our next Rector to determine if any of what parishioners considered most and least important in pre-pandemic times has shifted once parish life resumes post-pandemic.

In our Parish Survey,
these are words parishioners used to describe our church...

Position Requirements For Our Next Rector

The new Rector will have direct supervisory responsibility over the two Deacons, the Parish Administrator, the Children's Minister and the Music Minister. A Youth Minister is not currently part of our staff, but our Vestry has discussed that a part-time position may be necessary to help attract and/or retain young families and may be hired in 2021, budget permitting.

In addition to the Vestry, which meets monthly, several committees carry out lay ministries in the parish. The Rector may be asked to attend a committee meeting when necessary. The Rector will assume overall spiritual, pastoral and administrative oversight and leadership and will chair all Vestry meetings and the Annual Meeting.

It is expected that the new Rector will provide a collegial atmosphere for paid and volunteer staff. While setting a positive organizational climate that is affirming and rewarding to all who participate, the Rector will also be expected to provide caring, pastoral support to those who seek God's peace.
