Over the past 44 years of ordained ministry, I have served in several dioceses as a dean, diocesan board member, congregational development committee member and consultant. Having served in eight different dioceses, I have witnessed much of the depth and breadth of the Episcopal Church.

I came to this diocese over 20 years ago and have appreciated its deep roots in orthodoxy and traditional churchmanship. I am proud to uphold that legacy!

I was privileged to serve as a clergy deputy to the 80th General Convention in Baltimore. Due to many COVID restrictions and the truncated nature of this past convention, our legislative work was cut short. Several key issues were decided by consent agenda and parliamentary maneuvering. I am hopeful that the 81st General Convention will return to past, tried and true General Convention rules and procedures so that our deputation may heard and respected.

With your support, I look forward to the opportunity of representing the Diocese of Central Florida at the 2024 General Convention in Louisville, KY.
