

RESUME: The Rev. Kay Mueller – Church of Our Saviour (Okeechobee)

Candidate for Clergy Deputation to 2024 General Convention

I was honored to serve at the 2022 General Convention in Baltimore. I learned a lot about the process, including the physical and mental energy required to actively participate and represent the interests of our diocese. I was inspired by the respectful camaraderie present, the prayerful purposefulness, the intense dedication to accomplishing the tasks at hand, and the vision for the future of our church expressed and exhibited by all present.

The professional expertise I feel I offer the group includes administrative and organizational skills, creative and strategic thinking for both short and long-term goals, team-building competence, and time-management efficiency, in addition to spiritual fruit and gifts of the Holy Spirit, as well as energy and enthusiasm.

I have served our diocese in ordained ministry since 2017. I just completed three years of representation on the Diocesan Board of Directors and the Executive Committee.

I am respectfully requesting your prayerful consideration to represent you and the Diocese of Central Florida at the 2024 Convention in Louisville.
