

Short Resume for Rev. Woodford D. Miller IV (Fr. Deke), desired nominee for General Convention, 2024

I have been a part of the Diocese of Central Florida since the early '90s, initially serving as a Youth Minister both in volunteer and professional statues. From 1992-1994, I had the privilege of attending the Institute for Professional Youth Ministry while serving at Holy Trinity in Bartow. I was ordained to the Priesthood in 2007. I have served as Assistant Rector and also Academy Chaplain at St. Andrew's Episcopal in Fort Pierce. Later, during my time as the Rector of St. Paul's Episcopal in New Smyrna Beach I served on the board for Camp Wingman. From there I moved on and answered the call to be the Camp Director for Camp Wingmann. During my time as director I had the opportunity to visit a lot of Churches, which afforded me the opportunity to meet a lot of people throughout the Diocese. I currently serve as the Vicar of Holy Cross Episcopal in Winter Haven and have just recently been elected as the Dean for the Southwest Deanery.

I feel that God is on the move within the Diocese of Central Florida and in the Episcopal Church as a whole. I am excited to contribute to the Diocesan role at General Convention offering a fresh voice. I am also eager to learn the inner workings of the Episcopal Church on the National level.
