

Mr. Jason Ullrich
Candidate for Election to the Diocesan Board
Lay Order

My name is Jason Ullrich and my journey with the Episcopal Church began 10 years ago. Growing up a preacher's kid, I was exposed to a unique perspective of the church living in rural America.

I am a proud graduate of the University of Florida, holding a degree in Business Administration. This academic foundation coupled with over 20 years of leadership in business as well as managing large P&L's, new construction, and training has equipped me with valuable skills in strategic thinking, organizational leadership, and collaborative problem-solving – attributes I am eager to bring to the Diocesan Board.

Since 2020, I have had the privilege of serving as the Senior Warden at the Church of St. Luke and St. Peter in St. Cloud. In this role, I have witnessed firsthand the transformative power of a united and engaged congregation. Together, we have fostered an environment of inclusivity, spiritual growth, and community development. It is this experience that fuels my passion for contributing to the broader mission of the Diocese of Central Florida.

My tenure as Senior Warden has taught me the importance of effective communication, collaboration, and servant leadership. These principles, coupled with my dedication to bringing the love of Christ to our community, will guide my contributions to the Diocesan Board. I am enthusiastic about the opportunity to bring fresh perspectives, strategic thinking, and a genuine commitment to unity.

I live in St. Cloud with my wonderful and supportive wife, Danielle of 18 years, and our 2 teenage children.
