Good News

2024 Diocesan Clergy Conference

Thursday, October 24, 2024

All Saints, Winter Park – Thomas Center

God has entrusted the Church with the one message that changes everything: “In Christ God was reconciling the world to himself, not counting their trespasses against them” (2 Corinthians 5:19). If the gospel is that important, and this is the Church’s message, it is critical that we not only get it right, but also apply the good news to ourselves and proclaim it effectively.

At this year’s one-day clergy conference for the priests and deacons of the Diocese of Central Florida, the Rt. Rev. Dr. Justin S. Holcomb will preach the gospel, minister to the ministers, and teach on how to communicate the good news with faith in its transformative power. Come be refreshed and equipped to take the hope and healing of the gospel to a broken and weary world.
