

**Mr. Carlos Cabrera**  
Diocesan Board  
Lay Order

Carlos Cabrera is a committed Christian whose faith has been a constant in his life since childhood. Raised in a home that deeply valued Christian principles, he has strived to live according to the teachings of Christ, seeking to reflect His love through his actions.

Married for 15 years to his wife, who has also been an active member of the Church throughout her life, Carlos has found strength in their shared faith, which has enriched their marital relationship and positively influenced his role as the father of two daughters. Together, they have cultivated a home grounded in Christian values, guiding their family toward continuous spiritual growth.

Carlos is an attorney with a master's degree in Civil Procedure and has 14 years of experience in labor law and social security. Throughout his career, he has published several articles in *La Gaceta Judicial*, addressing topics of social justice and human rights. He also won the Víctor Carlo García Moreno competition on International Criminal Law and War Crimes, contributing to the global debate on justice. He is a member of the Board of Directors of the Latin American Society of Scholars of International and Comparative Law, promoting legal knowledge in the region.

In his Christian life, Carlos has been a speaker and table leader in the Hispanic Cursillo of Christianity. As a member of St. John Episcopal Church, he has served in various capacities, including as an altar server, Vestry member, volunteer at the food pantry, and Bible study teacher. Carlos is also a Postulant for Holy Orders and is a Seminarian at Thirdmill Seminary, with the intention of complementing his theological education with his vocation of service, preparing himself to contribute fully to the spiritual growth of his congregation.

He works as a counselor at Senior Resources Alliance, within the Veterans Direct Care program, where he provides guidance to veterans and their families to ensure they have access to the resources they rightfully deserve. At the same time, he feels a deep calling to continue his service within the Episcopal Church, with the firm purpose of continuing to cultivate his faith and striving to be a living reflection of God's grace in every step of his life.
